

## Izard County Purple Circle Championships

**Objective**—The objective of the Izard County Purple Circle Championships is to foster interest in livestock production and to promote the exhibition of livestock at the Izard County Fair. It is our mission to encourage the youth of Izard County to participate in livestock project programs by providing financial incentives to those exhibitors.

1) **Eligibility**—Izard County Purple Circle Championships are limited to Junior exhibitors who have not received Junior exhibitor awards in any other county fair, Izard County residents or students who attend school in Izard County, or exhibitors who are members of an FFA chapter or 4-H Club in good standing. Exhibitors may participate in the Purple Circle Championships no later than the fall after graduating from high school or earning a GED. Exhibitors who are too young to be 4-H or FFA members may show under the supervision of a parent/guardian.

- Participants' project program must be under the supervision of the Vocational Agricultural teacher or the County Extension Agent.

- **All steer must be ear tagged and nose printed by June 3, 2017.**

- All horses must have proof of a current Coggins test.

- Poultry and rabbit exhibits must have proof of necessary health documents.

- All lambs must have baby or lamb teeth.

- Crossbred heifers must be born prior to February 7, 2017. Crossbred Heifers and Market Steers must have baby teeth at time of the show. The maximum age for eligibility on both Crossbred and Purebred animals is 24 months.

2) **Ownership & Feeding Instruction**—Participants must own their own animals, must have acquired title and taken possession of same at the beginning of and throughout the feeding and fitting period. All animals (regardless of species) that are registered with a breed association must have original registration papers at the Izard County Fair. Animals must be fed, cared for, and exhibited by the individual member under the supervision and direction of a Vocational Agriculture Instructor, 4-H Leader, or a County Extension Agent. **All animals must be owned by the junior exhibitor by July 1, 2017. Horses may be registered in the name of a family member. Livestock Registration forms are due by August 1, 2017.**

3) **Showing Animals**—All animals are to be shown by exhibitors entering them unless unavoidable circumstances, such as illness or death in the immediate family, prevent the exhibitor from being present, in which case, another eligible junior may show the animal.

4) **Purple Circle Championships**—Winners will be selected during the Izard County Fair & Livestock Show. The judges' decision will be final. Any animal that qualifies for a Purple Circle Championship **MUST** have been registered by the August 4 deadline. If an animal is selected that has not been pre-registered, the judges will select another animal for this award. Buckles, cash prizes, or other awards will be given at this time. Each individual shall be responsible for seeing that his/her animal remains on display at the fairgrounds until release time.
