

Livestock Departments – Rules and Regulations

1. Interpretations and Violations of Rules: The Izard County Fair board reserves the final and absolute right to interpret these rules and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with, or incident to the Izard County Fair exhibition, and the right to amend or add to any of these rules as determined by the ICF board of directors.

2. Entry Fees and Deadlines: **All livestock entries including horses, poultry and rabbits must be entered online by Friday, July 15, 2022. There will be no late entries!**

- All livestock entries including horses, poultry, and rabbits must be made online at www.izardcofair.org. It is very important that all information requested is entered. The ICF must have breed information for the breed classes. If an exhibitor does not have access to a computer, please contact your Vo-Ag instructor or your County Extension Agent.
- All entries will be in the computer before the fair opens, which will make it possible for the ICF officials to have the premium checks out earlier. It is important that changes not be made in the entry after the deadline.

3. Izard County Fair exhibitors are restricted as follows:

- Beef, Dairy, Goats, Sheep, and Swine breeding divisions exhibition is open to junior exhibitors.
- Poultry and Rabbits exhibition is open to junior and open exhibitors.

- Exhibitors who are not old enough to be in 4-H or FFA can show under the supervision of their parents/guardian.
- Junior exhibitors may show in only one county fair in Arkansas.
- The Izard County Fair Board reserves the right to withhold premium money if exhibitors do not abide by the rules.

5. Breeding Beef Ownership: Exhibitors must own their own animals and must have acquired title and taken possession of the animal by July 1, 2022. All breeding animals must be registered in the exhibitor's name (not the farm name). No pending registration will be accepted.

6. Control of Animals: All junior exhibitors must have complete control of their animals in the show ring always. If, in the opinion of the Show official, an animal is unruly to the point of endangering other

exhibitors or animals, that animal will be excused from the ring and disqualified. All breeding cattle and steers for exhibition must be shown with halters and be sufficiently gentle to be properly handled by one attendant on foot. **All Bulls, 6 months old or older on date of show, must be shown with a nose ring or nose clip and lead attached.**

7. **Livestock Check-In:** All breeding animals in the beef, swine, and sheep departments must have the animal's original registration papers (or faxed copies from breed associations) in possession when animals enter the fairgrounds. All exhibitors must check-in at the Announcers Stand in the Arena during official check-in times or their entries will be deleted from the records.

8. **Premiums:** ICF will pay premiums based on the total amount of money allocated from the Arkansas Livestock and Poultry Commission and local funds after other awards are purchased. Premiums are paid on a point basis.

9. **Youth Showmanship Contests:** A showmanship contest will be included in each department and ribbons will be awarded but no premiums will be paid. Contests will be held for Wee Junior (age 8 and under), Junior (ages 9-13), and Senior (ages 14-19). Age is based on age on the day of the show.

Livestock trailers can be parked on the fairgrounds in the assigned location. All stalls, pens, and aisles must be cleaned by exhibitors before checking out. Please check with the department superintendent before loading animals and leaving the fairgrounds. Failure to comply with official check-out times will result in forfeiture of premium money.

11. **Bedding:** Each exhibitor will provide his or her own bedding. No straw is allowed in the barn.

12. **Purebred Animals:** All animals in Registered Breeding Beef classes, including Composites, must have registration papers. Purebred animals must be 75% or greater, depending on the respective breed associations; composite animals must be registered as low percentage with the respective breed association. These composite breeds will have their own breed divisions: (1) Charolais Composite, (2) Lim-Flex, (3) Maintainer, (4) Shorthorn Plus, and (5) Sim Solution. AOB (All Other Breeds) Composite may be divided due to breeding at the discretion of the livestock superintendent. (Poultry, rabbits, and commercial and market classes are exempt).

Any exhibitor administering a drug to an animal which would render the carcass unfit for human consumption or any exhibitor of an animal's producing an analysis indicating the presence of an unapproved drug that can result in a quantitative or qualitative change in the characteristics of the animal will be required to return all premium money and could be banned from further competition at the fair. Their name and lab analysis will be submitted to the USDA for further investigation and possible prosecution. Any animal receiving medication for any life-threatening disease or illness must be registered at the time they are entered in the fair.

14. Sick or Diseased Animals: Sick or diseased animals will not be permitted to show. If a disease is detected, the owner will be asked to remove the animal from the fairgrounds. In the case of a dispute, fair officials will have authority to call a veterinarian at the expense of the owner.
